MaUsE
Next Meeting Wednesday January 24th

Featured will be:

Apple's Latest Newton 2.0 Technology

Presentation by Mr. Jake Kaseleci & Mr. Chelso Maiolo of The Newton Store, 140 Adelaide St. E., Toronto. Toll free number: 1-800-558-5768 The presentation will include discussion on third party technology, including ACT! for Newton by Symantec.

QuickTime Virtual Reality

Demonstration by Michael Gilhooly The Apple QuickTime technology allows the user to create a "movie" on the Mac with sound. The addition of Virtual Reality allows the viewer to manipulate what he or she sees - to control a 360 degree field of view as well as zooming and panning back.

More Fun With "Stump the Chump"

We line up all the so-called "experts", such club exec types as Bruce, Hugh, Doug, Justin, Jim et al, who field any and all questions from the floor. So, dust off your manuals and open your mac archives files and bring in those questions!

Internet Introduction Course

Justin Derrick of Welcome the World Consulting will update us on his upcoming seminar all about the Internet. A special attendance fee is being offered to MaUsE members, and registration will be taken during the meeting. See details on page 4 of this newletter.

Doors open at 7:00 pm   Meeting starts at 7:30 pm
Place: Henry Street High School - Lecture Theatre - Whitby

MaUsE New User SIG Announces Kick-Off Meeting

The first meeting of the New User SIG (Special Interest Group) has been scheduled for Thursday, February 8th, starting at 7:30 pm.

As mentioned in earlier issues of Double Click, the idea behind the New User SIG is to provide a venue where new users of Macintosh computers and software can get together to discuss their questions and problems. Lorraine Campbell and Jim Foster will be hosting this initial meeting.
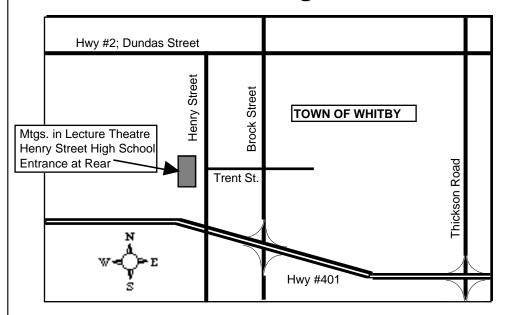

If you would like to attend, we ask only that you phone Lorraine in Whitby at 905-668-9780 to reserve a spot. She will tell you the "secret" meeting location (!) and provide directions. As this is our first meeting, we really need to know how many people will be attending, so be sure to call Lorraine as soon as possible.

Then, get out your pen and paper and jot down all those nagging questions and come prepared to be educated!!

See everyone on February 8th.

Jim Foster and Lorraine Campbell

MaUsE Meeting Location

Members of the general public, guests of MaUsE members, and all regular MaUsE members are invited to attend any of MaUsE's Membership or Executive meetings. It is NOT necessary to bring your Macintosh with you (!)...all that's required is an interest in Macintosh computing.

Membership meetings are generally held in the Lecture Theatre at Henry St. High School in Whitby starting at 7:30 pm. Shareware disk sales begin at 7:00 pm. Executive meeting locations vary...call ahead to confirm exact locations/times.

Internet Introduction Seminar!

January 27th & 28th
Bayview & 401, Toronto

Finally! A great Introduction to the Internet at a great price!

As if computers aren't difficult enough to use, software that connects your computer to the Internet can be difficult to install, and impossible to troubleshoot. This course will introduce you to common computer and telecommunications terms in a friendly Glossary format - and help you understand what you're trying to accomplish.

Just like using a map, attending this seminar will help get you moving in the right direction on the Internet, and help you get to resources with a minimum of frustration.

Ask for your registration form, or call (416) 487-3973 to receive one via FAX. Also, check out our conference in the Virtual Mall on 'The Source' BBS at (905) 404-9874 using FirstClass Client.

SPECIAL PRICE FOR MAUSE MEMBERS

Only $50.00 For One Full Day Seminar   **Save $70.00** Off the Regular Price

Discuss the details and register at the MaUsE Meeting **Wednesday, January 24th.**

Registrations MUST be in by Midnight, January 24th.
